| Step   | Description  |           |               | illustration                         |                 |      |                 |     |             |
| 1  | Identify the grille & hardware with parts list.  |           |               |                                      |                 |      |                 |     |             |
| 2  | Optional: pop hood, remove the black plastic cover (on top of OEM grille) from vehicle. If you are still unable to access the rear, remove the grille shell according to factory manual. |           |               |                                      |                 |      |                 |     |             |
| 3  | Hold the billet grille against the OEM grille shell, center and mark (2) holes for drilling. Remove billet grille and drill holes according to your mark.                                |           |               |                                      |                 |      |                 |     |             |
| 4  | Install the Clip Nuts onto the tabs.Thread a Screw in each hole of tab welded to the grille. Secure billet grille using the Clip Nuts from the back side of the grille shell.            |           |               |                                      |                 |      |                 |     |             |
| Drill (1) Hole (1) #8X2.5"Screw (1) Clip Nut  (8) #8X2.5"Screw (1) Clip Nut  (9) #8X2.5"Screw (1) Clip Nut  (1) Hole (1) #8X2.5"Screw (1) Clip Nut  (8) #8X2.5"Screw (1) Clip Nut  (9) #8X2.5"Screw (1) Clip Nut  (1) Hole (1) #8X2.5"Screw (1) Clip Nut  (1) Hole (1) #8X2.5"Screw (1) Clip Nut  (2) #8X2.5"Screw (1) Clip Nut  (3) #8X2.5"Screw (1) Clip Nut  (4) 2-Hole Flat Tabs |  |           |               |                                      |                 |      |                 |     |             |
| 5  | Make sure the insert is centered and tighten the hardware.   |           |               |                                      |                 |      |                 |     |             |
| 6  | Reinstall the plastic shroud with the fasteners removed in Step 2.   |           |               |                                      |                 |      |                 |     |             |
