Install Notes:	Overlay <input checked="" type="checkbox"/>	Replacement <input type="checkbox"/>	Drill <input type="checkbox"/>	Cut <input type="checkbox"/>
-----------------------	---	--------------------------------------	--------------------------------	------------------------------

Step	Description	illustration
1	Identify the grille with parts list.	
2	Use a small slotted screwdriver to remove the pair of round clips securing the inner mesh to the frame. Remove the mesh and center the billet into the frame; Use the factory clips to secure the billet.	N/A
3	Make sure the billet grille is centered and tighten the fasteners, but do not over-tighten.	N/A
4	Installation completed!!!	N/A

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. Please use masking tape and tape the OEM grille shell along the edge to protect your vehicle during installation. We are not responsible for any damage caused by the installation. Thank you for choosing our product!
