NOTE: Instruction for billet grille also applies to stainless steel grille.

- (1) Open the hood. Remove the four fasteners holding the upper plastic shroud where the factory grille is attached.
- (2) Place the billet grille over the factory grille then insert supplied screws into the front side of the billet grille and from the back install backing tabs with supplied washer nuts and secure in place.

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. We are not responsible for any damage caused by the installation. Thank you for choosing our product!
