Step	Description							illustration						
1	Ider	ntify the	grille &	hardwar	e with pa	rts list.								
2	Optional (for vehicles with black plastic cover under hood). Pop hood, remove the black plastic cover (on top of OEM grille / front panel) from vehicle. This will allow access to the rear of the grille shell. If you are still unable to access the rear, remove the grille shell and reattach after installation.													
3	Tes	Test fit the grille to make sure that it fits in the shell properly. Make sure the grille is centered.												
4	Thread a stud in each nut welded to the grille. Then thread a nut and a washer on each stud.													
5	Mak	Make sure the grille is centered and tighten the fasteners.												
6	Rei	Reinstall the black plastic cover which was removed in step 2.												
7	Installation completed!!!													

The instruction here is for your reference only. You may need to bend the grille a little bit to adjust to fit. We strongly recommend the professional installer for best result. We are not responsible for any damage caused by the installation. Thank you for choosing our product!
