Step	Description	illustration
1	Identify the grille & hardware with parts list.	
2	Install the supplied clips onto the supplied brackets, aligning the hole in the clip with the hole in the bracket. The flat smooth side of the clip should be on the black side of the bracket.	
3	Center the billet insert over the opening grille shell.	
4	Secure it with the supplied screws going through the front of the grille and tighten them into the brackets.	
5	Installation completed!!!	

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. Please use masking tape and tape the OEM grille shell along the edge to protect your vehicle during installation. We are not responsible for any damage caused by the installation. Thank you for choosing our product!
