Place and L et, U nut and a 10-32 s The second	er and low bracket an screw to se	er clips and push grill Id a 6-32 nylon lock r cure in place

The instruction here is for your reference only. You may need to bend the billet grille bars or tabs a little bit to adjust to fit. We strongly recommend the professional installer for best result. Please use masking tape and tape the OEM grille shell along the edge to protect your vehicle during installation.

We are not responsible for any damage caused by the installation. Thank you for choosing our product!
